Few issues were discussed during the pre-bid meeting held on 30.03.2017, regarding the above package. A few bidders raised the query regarding essentiality of conduct of tests for EMMP. It was clarified by Dy. Program Manager to all the bidders that the conduct of above tests is mandatory as per Section VI – Schedule of Supply- Environmental Management and Monitoring Plan (EMMP) of bid document. On query raised by the bidders it was further clarified that all locations for Solar Street Lights are at road head. It was agreed that the minutes of the pre-bid meeting along with reply to the bidder's queries shall be issued.
